

Hexa FM

BEGINNING

The idea of Hexa Tech originated from the utopian thinking of a group of young and talented engineers with a vision of creating a superior technical organization by combining their synergies to deliver excellence. Besides, they were driven by a passion to contribute to the community.

The operational philosophy of Hexa Tech has always been our uncompromising emphasis on mutual trust, honesty, integrity and a steadfast commitment towards our employees, suppliers, business partners and shareholders.

COMPANY OVERVIEW

Established in 2010, the Grade-A Electro-Mechanical Trading and Contracting Company, Hexa Tech International Trading & Contracting, has over 13 years of experience supporting various Industries in Qatar. With over 700+ employees on its rolls, Company has a diverse and multicultural team that works in sync with customer requirements. Our after-sales support team will ensure seamless coverage and post-equipment delivery as well. We specialize in providing turn-key design, engineering, fabrication, supply, installation, testing, commissioning, and maintenance.

OUR VISION AND MISSION

“As an ISO 9001:2015, 14001:2015 & 45001:2018 certified company, we always ensure full compliance with health, and safety regulations, as well as sound environmental and energy management procedures”

-  Our motto is to deliver excellence based on our reputation for integrity and experience and leadership.
-  Our growth and profitability are maintained through innovation, technical enhancement, and adaptability to all our markets.
-  Our profitability is directed towards sustaining growth and to providing satisfactory returns to our stakeholders.
-  Our commitment to growth is firmly linked to our commitment to our employee's continuous development and rewarding careers. We are also devoted to our employee's safety and health, job security, and welfare.

We pursue our Vision & Mission through our

“SMART”

Goals & Guiding Principles:

S – Specific ; M – Measurable ; A – Achievable ; R – Reliable ; T – Time Bound

Preserve Corporate Reputation ; Corporate Social Responsibility ; Develop Future Leaders ; Promote Innovation ; Inspire Trust ; Improve Agility
